

Elisa Barth

July 15, 1863 - May 18, 1924

Mrs Gottfried Barth, living on the Peter Luchsinger farm a mile and half north of Monticello passed away very suddenly at the family home a week ago Sunday. The immediate cause of her death is attributed to a heart attack, although she was afflicted with dropsy and had been in failing health for a year or more. Coming as it did unexpectedly, her death was a severe shock the family and the unwelcome announcement was received with regret among friends in the neighborhood and elsewhere in the county. Elisa Hurni was born July 15, 1863 in Kallnach, Canton Berne, Switzerland. Her marriage to Mr. Barth occurred there on Sept. 17, 1889. This union was blessed with four children—one daughter and three sons.

NOTE: Interred in Highland cemetery, Monticello. New Glarus Post, 5/28/1924
