

Nancy Crouch
13 July 1801 - 12 Mar 1873

Nancy Crouch-died at the residence of her son, Samuel Crouch in the town of Washington, Green Co., Wis., April 10th, 1881.

Nancy Crouch, (more familiarly known as grandma Crouch), was born in Louden County, Virginia in 1804. She was converted when fourteen years of age and to the day of her death, lived a faithful, consistent Christian life; and the Pastors of the Monticello circuit will ever remember the many acts of kindness received at the hands of "Father and Mother Crouch," who have now both gone to their reward. She lived to see the fruits of her labors and died blessed with the knowledge that her entire family and many of her grand children had given their hearts to Jesus.
