

Margaret Kelly

17 Mar 1838 – 24 Feb. 1907

Mrs. Edward Kelly, of Washington township, passed away very suddenly Sunday evening, her death being due to an illness contracted by catching cold. She had been ailing more or less all winter, but her condition was not such as to cause the members of her family any uneasiness, and only the day before the end came she was able to be up and about the house.

The deceased was 67 years of age and had been a resident of Washington township fifty years. She was a woman who was held in the highest esteem by those who knew her and her death is deeply deplored by a large circle of neighbors and friends.

Besides her husband, four children survive her, Margaret, of Appleton, Iowa; Kate, of Omaha; and Edward and John, who live at home.

The funeral was held this forenoon from St. James Catholic church, Monroe.
