

## **Philippine Floy Kubly**

**July 28, 1921 – Oct. 1921**

Mr. and Mrs. Jacob Kubly mourn the loss of their infant daughter, Philippine Floy, whose death occurred at 4 o'clock yesterday afternoon, following an illness of a little over two weeks with intestinal trouble. The child had suffered more or less from indigestion prior to its last illness and there had been little hope of its recovery for a number of days preceding the end. The child was born on July 28, 1921, and was 2 months and 14 days old at the time of its death. Much sympathy is felt for the bereaved parents and other members of the family in the sorrow that has overtaken them.

Funeral services will be held from the home at 10 o'clock tomorrow (Friday) morning and interment will be in the old cemetery. Rev. A. Muehlmeier will officiate.
