

Mabel F. Richards

1881 - 1927

Mrs. Dane C. Richards, 46 years old, passed away at 4 o'clock Monday morning at a Madison hospital.

The death of Mrs. Richards occurred at the Wisconsin General hospital, Madison, and came unexpectedly, even to immediate relatives. She had been in poor health for the past two months, although it was not until about two weeks ago that her condition became such as to cause some concern. She had been confined to bed for a week preceding her removal to the hospital, where, it was expected, a month's stay would result in a gradual improvement in her condition. However, the unexpected happened, and the news of her death came as a shock to relatives and friends alike.

The immediate cause of her death was valvular heart trouble.

Funeral services were held at the home yesterday afternoon at 2 o'clock, with the Rev. A. Muehlmeier, pastor of the Reformed church, officiating. Interment was in Highland cemetery.
